Commissioner for Patents

Dear Examiner Ko

The Applicant respectfully requests that the following Comments on the reasons for allowance be added to the file.

Application No. 10/737,358  
Attorney Docket No. 15149SU02

**REMARKS**

Claims 1-26 are allowed. The Applicant appreciates the Examiner's allowance of these claims and respectfully submits the following Comments on the Statement of Reasons for Allowance:

The Applicant respectfully submits that the Reasons for Allowance may potentially import interpretations into the claims in relation to the prior art that are unnecessarily limited and may place unwarranted interpretations upon the claims.

Such a characterization of the claims in view of the prior art may not properly take into account the Applicant's claimed invention as reflected in the claims, the specification and the prosecution history of the present application. Applicant believes that the claims, the specification, and the prosecution history in their entirety provide an adequate basis for the allowability of the claims.

Additionally, specific parts of the Examiner's reasons for allowance may pertain to limitations appearing in some of the claims, but not others of the claims. The Applicant respectfully submits that the Examiner has thoroughly examined the claims, recognized the limitations appearing or not appearing in each of the claims, and properly found the claims to be allowable based on the record. Assignee respectfully agrees with the Examiner's conclusions that the present claims are allowable over the prior art, such agreement shall not be

construed as adopting or rejecting Examiner's findings with regards to the teachings of the prior art.

### **CONCLUSION**
